ARE YOU A MEMBER?
OF THE
Chamber of Commerce
No other organization takes
the place of a Chamber of
Commerce. No live town
can do without one. Every
live citizen should be a
member and do his share
of this necessary commu-
nity work. This organiza-
tion is carrying on import-
ant work all the time mak-
ing Sierra Madre a better
place in which to live. If
you are not enrolled you
are missing a wonderful op-
portunity to be of service to
yourself and your neigh-
bors.

CONGREGATIONAL SUNDAY SCHOOL EASTER EXERCISES

Special Easter exercises of the Con-
gregational Sunday school will take
place at the regular Sunday school
hour, 9:45 a. m. The program will be
as follows:
Organ Prelude.
Song, "Lift Up Your Heads," School
Processional..... Primary Children
Prayer.
Responses.
Song, "Little Brown Seed," "Awak-
ening of the Flowers,".....
..... Primary Children
Scripture Story—Mark 16:1-19.....
..... Winifred Woodward

Offertory.
Solo, "Palms,"..... Alice Stanley
Sermonette..... Mrs. Campbell
Song, "Low in the Grave,"..... Teachers
Dramatic Presentation, "A Handful
of Clay."
Song, "In the Garden,"..... School
Organ Postlude.

At the regular Sunday morning
preaching service, beginning at 11
o'clock, Miss Gertrude Cook will sing
a solo, "Messiah Victorious." There
will be other special music by the
choir.

Rev. R. D. Hall of Sierra Madre
will preach the Easter Sermon at the
11 o'clock service.

BETHANY PROGRAM

The Bethany Temple Spunday school
will hold special Easter services at the
Sunday school hour, 9:30 a. m., in the
main church auditorium. All friends
of the church and Sunday school are
cordially invited to attend.

AT THE CATHOLIC CHAPEL
Easter Sunday will be celebrated in
an appropriate and solemn manner at
St. Rita's church.
At 7:30 o'clock Mass the ladies of
the Parish will receive Holy Commu-
nion in a body.
At the 9 o'clock Mass the children's
choir will render a beautiful and joy-
ous program which will voice the sen-
timents of the Church in her gladness
caused by the Resurrection of Our Re-
deemer.

The following hymns will be sung:
At the Introit, "Haece Dies."
At the Offertory, "Regina Coeli."
After the Consecration, "Ecce Pa-
nis."

After the Communion, "Alleluia."
The pastor, Rev. Father Woodcut-
ter, will preach the Easter sermon at
the nine o'clock Mass.
The altars, which have been without
flowers during the Holy Season of
Lent, will again be magnificently de-
corated by the ladies of the Altar soci-
ety.

CACHE OF DOPE IS A MYSTERY

Finding of a small cache of narcot-
ics in the grass along Canyon Avenue
has puzzled Marshal Udell and seem-
ed at one time to offer partial solu-
tion to the mystery of recent "dope"
burglaries in Sierra Madre and Pasa-
dena. The dope was found by A. F.
Snell who was cutting grass. It ap-
peared to be only temporarily secreted,
as if to be taken away soon. Marshal
Udell tried to have the several
parcels identified. One was similar to
some taken from the Poage Pharmacy
but Mr. Poage could not positively
identify it. The stuff also failed to
answer descriptions of dope taken
from a Colorado street store about the
same time. So Mr. Udell is still
puzzled and some "hophead" is mourn-
ing.

STATED MEETING NEXT TUESDAY

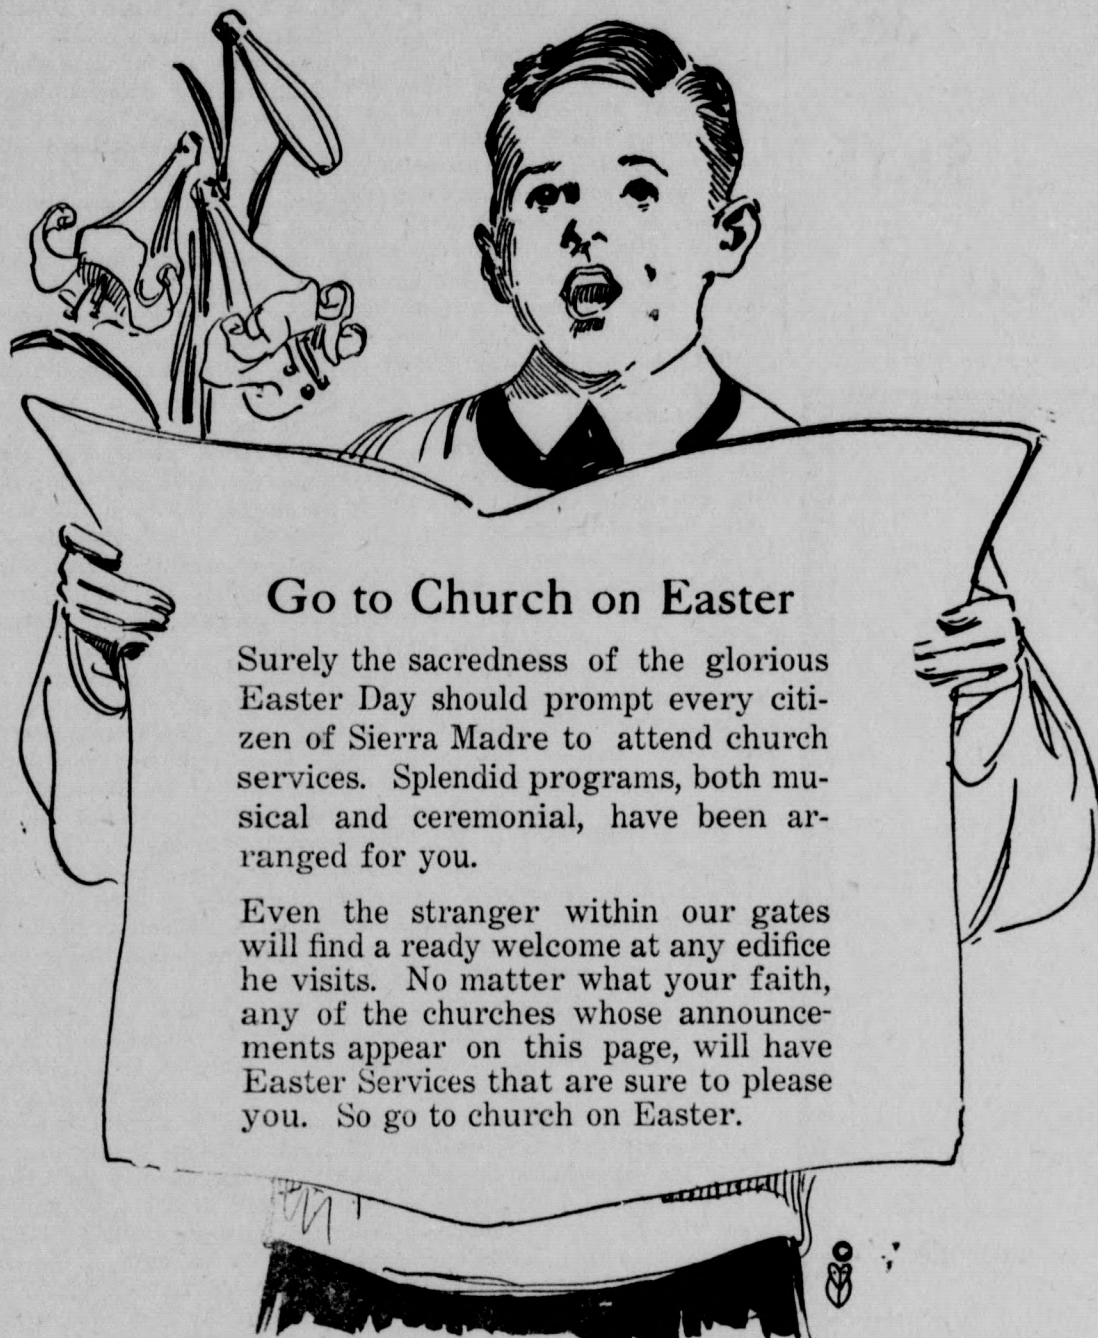

April stated meeting of the Sierra
Madre Lodge No. 408, F. & A. M., will
take place next Tuesday night, April
3. Owing to important business on
hand the master urges that all mem-
bers make an effort to be present.
Visiting Master Masons are also cor-
dially invited.

At a monthly social session of the
lodge last Tuesday night a large num-
ber of members were entertained
by Justus Kraftt who told of his ex-
periences in Europe last year. Pass-
ing over the darker side of conditions
there somewhat briefly, he related
many amusing incidents bringing in
the antics of the German Mark with
relation to the American dollar. He
also related many experiences of in-
terest in connection with his visits to
foreign lodges.

A pleasant feature of the evening
was the presence of and a short ad-
dress by M. H. Bridle, Master of the
lodge at the time it was chartered
and one of the most active organizers.
Delicious refreshments were served by
the entertainment committee.

MRS. A. C. TARTER

Mrs. A. C. Tarter of Los Angeles,
formerly a resident of Sierra Madre,
passed away on Tuesday. She was
the mother of C. L. Tarter of Har-
bor City, and Mrs. Lottie F. Knapp.

Go to Church on Easter

Surely the sacredness of the glorious
Easter Day should prompt every citi-
zen of Sierra Madre to attend church
services. Splendid programs, both mu-
sical and ceremonial, have been ar-
ranged for you.

Even the stranger within our gates
will find a ready welcome at any edifice
he visits. No matter what your faith,
any of the churches whose announce-
ments appear on this page, will have
Easter Services that are sure to please
you. So go to church on Easter.

C. F. Stanley Passes Away

The sudden passing of Charles F.
Stanley of 126 E. Mira Monte on Sun-
day night caused a shock not only to
his family but to the entire commu-
nity. Mr. Stanley had been apparent-
ly in his usual health for some time,
and his friends who had seen him fol-
lowing his usual pursuits so recently
could hardly credit the report of his
death.

On Saturday Mr. Stanley had work-
ed about his home place, and on Sun-
day he spent a happy day, enjoying
an auto ride in the afternoon and a
pleasant evening in the family circle.
He retired in the best of spirits and
within a few minutes after saying
good night, apparently succumbed to
some weakness of the heart.

Mr. Stanley was a native of Con-
necticut and a member of an old New
England family, among whom were
the founders of the Stanley Tool
works. As a young man he went to
Kansas where he spent his active years
farming and raising fine live stock.
There he married the daughter of
Professor Ephraim Miller of the Uni-
versity of Kansas and there they
brought up their family. Later they
moved to Independence, Mo., and
then to California, having resided in
Sierra Madre about three years.

Funeral services were conducted on
Thursday at the Allen T. Gay chapel
by Dean William C. Shaw, who read
the service and spoke briefly but with
impressive feeling of his departed
friend. He said that while Mr. Stan-
ley's life in Sierra Madre had not
placed him largely in the public eye,
yet he occupied a place in the mind
and heart of the community by reason
of his genial, kindly manner, the
helpful spirit which he manifested to
those about him and the respect which
was found to be due his opinion.

In addition to the bereaved wife, Mr.
Stanley is survived by a daughter,
Miss Alice Stanley, and his sons, Ar-

SCOUT BUDGET PAYMENTS NEEDED

Subscriptions to the Boy Scout
budget fund which were made at the
recent Boy Scout dinner should be
made at once to secretary Floyd of the
Chamber of Commerce. The sum of
\$315 was pledged, only \$126 of which
has been paid in to date. This amount
has already been remitted to J. R.
Mildren, district treasurer as the
funds are needed at once by the dis-
trict council.

Sierra Madre's allotment for the
district was \$375. There is accord-
ingly a considerable amount yet to be
raised in addition to the amount
pledged. Donations will be gratefully
received to make up this deficit.

AIREDALES SOLD TO OREGON

Chris Shuttleworth, owner of the
Shuttleworth Kennels which were for-
merly the Anokias Kennels, has sold
two young Airedales to the personal
representative of President Obregon
of Mexico. The youngsters are sons
of Whitebirk Tyrant and Warland
Ditto, two famous sires with a long
string of championships to their credit.
President Obregon may have harbor-
ed an ambition to own Airedales from
the same kennels which were respon-
sible for President Harding's famous
pet. The President's dog was sired by
one of the Airedales imported from
England by Mr. Shuttleworth for Mrs.
Baldwin.

J. F. Whiting of Long Beach called
on Sierra Madre friends Wednesday.
Mr. Whiting has sold his houseboat
hotel off Long Beach harbor and is
again on the road selling Western
Newspaper Union ready print service
to the newspapers of California.

thur Stanley of La Junta, Colo., Percy
Stanley of Heber, Cal., and Lloyd
Stanley of Cleveland, Ohio.
Interment took place at Mountain
View Cemetery, Pasadena.

Sanitarium Suit Set For April

Settlement of the sanitarium con-
trovery by litigation was delayed
again on Wednesday when the hearing
on the test case was set over until
April 19. In the test case the Snyder
Sanitarium people sought a writ of
mandate to compel the city to issue
a building permit for a unit of their
sanitarium on Grove Street. On Wed-
nesday the counsel for the city of Si-
erra Madre filed their answer, spec-
ifying as grounds for refusal that the
proposed location is within the district
restricted against sanitariums by Or-
dinance No. 24, and also that such an
institution in that location would be
a menace to public health.

The pleadings in writing were re-
ceived by the court and the case set
ahead to the date named.

FINES FOLLOW DOMESTIC ROW

Tony Reyes and Romaldo Carreras
kept house together, as men have done
before. They had a row, as other
housekeepers have done. The subject
of their quarrel doesn't matter, but it
seems to have been so aggravated by
moonshine that they broke up the
dishes and brought some knives into
play. There were no fatalities. But
Marshal Udell was called to take them
into custody Monday night. Next day
they were brought before City Record-
er Forman and fined \$20 each.

Mr. and Mrs. J. H. Parsons drove
to San Francisco last week and spent
the week end visiting the bay region.
On Sunday they attended Calvary
Congregational Church in Oakland
where they listened to Rev. W. J.
Thompson, formerly of Sierra Madre.
They report a nice visit with Mr. and
Mrs. Thompson whom they found de-
lightfully situated in their home.

Splendid Program Enjoyed by Crowd At C. of C. Dinner

The Chamber of Commerce dinner
at the Woman's Club House last night
repeated the big success of their pre-
vious dinner given for the Boy Scouts
on March 9th. About 125 guests
were present and enjoyed the excel-
lent dinner provided by the ladies of
the club. The tables were attractively
decorated with lupine and poppies
carrying out the Chamber of Com-
merce colors.

Dennis H. Stovall delivered the ad-
dress of welcome and introduced the
speaker of the evening. Rudolph R.
Hartman outlined the purpose and na-
ture of the flood lighting to be install-
ed on the approaches to our city.

The Edison Road Show was both in-
teresting and educational and was
enjoyed by all. Many who were un-
able to attend the dinner came in for
this part of the program.

The next monthly dinner of the
Chamber of Commerce is set for Mon-
day April 23rd. This is the night
of the Sierra Madre concert on the
Times Radio. The present plan is to
install a loud speaking receiver at the
Club House so that the dinner guests
may hear our Sierra Madre Artists
"on the air."

Leslie B. Henry of Pasadena justi-
fied his popularity as a speaker by
making ordinarily abstruse economic
subjects not only understandable but
decidedly entertaining. Mr. Henry is
manager of the Pasadena Branch of
Blyth Witter & Co., and is district
president of the Kiwanis Clubs.

German Investments

Mr. Henry spoke briefly on three
different topics, involving Germany,
America, and California. Opportun-
ities for buying German property ridi-
culously cheap have been widely dis-
cussed. Many people are puzzled by
the statement that you can buy a Ber-
lin office building costing \$200,000 for
\$1,000 American money. The explana-
tion is simple. Fixed property repre-
sents the only means or guarantee of
Germany ever making reparation pay-
ments. The difference between the ac-
tual value of such property and the
price you pay for it, represents the
liability you assume against the re-
parations settlements. In other words
if you buy that \$200,000 building for
\$1,000 you assume a mortgage esti-
mated at \$199,000.

The American problem Mr. Henry
described as the necessity for avoid-
ing currency inflation similar to that
suffered by European nations, with
particular reference to the American
farmer. There is no use issuing more
currency to make the farmers think
they are getting more money for their
wheat, if the dollar's purchasing power
will be reduced correspondingly. The
value of farm products will depend
upon the market for them. The Amer-
ican tariff having cut off our principal
markets outside of this country, we
have a surplus of wheat and other
products. The price falls and the
farmer cannot meet his obligations.

Two things were pointed out as nec-
essary remedies: First, an economic
agreement with foreign nations which
will permit them to buy our surplus
with the things they have to pay with,
and second, additional provision for
expanding federal credit to aid the
farmers on a sound basis, rather than
to permit more speculative hoarding.

The California problem Mr. Henry
considered was that of the proposed
cut in budget allowance for the state
railroad commission. He said that
commission was the only protection
the public has against unfair treat-
ment of the public by the public ser-
vice corporations, and unfair govern-
mental treatment of the corporations.
Without going into details as to the
requirements, he argued the state
should finance the commission most
liberally, to enable it to hire the best
engineering and accounting talent a-
vailable. While he had opposed the
water and power act last year, he did

SIERRA MADRE WOMAN'S CLUB

Art Program

At the regular meeting of the club on Monday, March 26, a splendid art lecture, with all the accoutrements of beauty and culture, was presented by Mrs. Bannell Sawyer, herself an artist of note, only recently returned from abroad. Mrs. Sawyer gave an idealistic word picture of Sir Edward Burne-Jones, termed the greatest master of design in English art, describing him as scholarly, chivalrous, and extremely spiritual.

The beautifully colored slides portrayed himself, his home and many of his most inspirational pictures, and the descriptive explanation given by Mrs. Sawyer was heard with unmistakable appreciation.

Perhaps no program has ever had a more effective setting. In keeping with the approaching Easter time, and the deeply religious nature of the artist under discussion, palms, Easter lilies and white lilies, with dimly lighted candles, grouped near a clever imitation of a large cathedral window, made a most effective stage setting.

A flood light back of the window disclosed the surplised figure of Mrs. Homer Glidden, who gave two cornet numbers, "Palms" and "Nearer My God to Thee," with deep feeling, Mrs. George B. Morgridge accompanying. Two other very beautiful numbers were given by Miss Alice Marion Greer, a graduate and former instructor in the Boston Conservatory.

At a brief business session previous to the program, Mrs. H. C. Parker offered for the consideration of the club the question of changing the meeting day from Monday to Tuesday or Wednesday, not only to avoid conflict with the Ebbl and Woman's City Club of Los Angeles, but to more fully cooperate with the latter club in its programs.

The undesirability of Monday as meeting day is keenly felt by active workers, who suffer the hardship of working many Sundays in preparation for club events. Numerous expressions that Monday is a very busy day for the average housewife, have been voiced. This matter will come up later for definite action.

Notice was given by the secretary of a proposed amendment to the by-laws changing the election day to a date previous to the State convention, in conformity to the request of the State board. Should this amendment carry at the next regular meeting, nominations for officers for the ensuing year will be made at that time. The request comes from the president that only names of persons who have signified their willingness to serve be nominated. Mrs. H. C. Parker and Mrs. W. E. Walker from the club body and Mrs. E. H. Carpenter from the executive board were appointed to serve on the nominating committee.

The names of nine new club members were read and greetings extended. The afternoon closed with a social hour over the tea cups.

Delightful Evening

Many enthusiastic lovers of music gathered at the club house on Friday evening to greet the distinguished artists of the Seiling Trio, and Kathleen Lockhart Manning, who together gave a wonderful concert program. The Seiling Trio, which consists of Oscar Seiling, violin; Fritz Lusschen, cello, and Edna Gunnar Peterson, piano, appeared not only in trio but in solo numbers, each excelling on his particular instrument.

Mrs. Manning appeared in a varied program of song, which disclosed the splendid range of her beautiful voice, "The Water Lily," a lovely composition of her own, bringing perhaps the greatest show of appreciation.

Chorus

The Woman's Club choruses, under the direction of Mr. Rasbach, will meet on Monday, April 2, at the club house at 2 p. m. A full attendance guarantees an interesting session, stimulates interest and accomplishes results.

Mr. and Mrs. P. A. Purbough of 29 Suffolk avenue, are removing to Arcadia to make their home.

PUBLIC DEMANDS SAFETY REGULATIONS

And Then Causes Amazing Number of Accidents By Violating Rules

The persistence of individuals in wholly or in part upon their own impulses rather than yield to the mature judgment of railway employees caused nearly twenty-five times as many people to be killed and three times as many injured as the total casualties resulting from accidents rated as unavoidable during the year 1921.

This very vital object lesson is brought to the attention of the public by the Santa Fe, which always is on the lookout for safety measures and a watchful eye focussed upon the operation of its trains and its properties.

Based upon the investigation and disclosures made by the Commissioner of Public Safety, it is an undisputed fact that the lot of such official in the drafting and enforcement of ordinances and regulations in the interest of public safety, is indeed a hard one.

Ask him if it is not a fact that thru violation of the rules he is delegated to promulgate and upon which the seal of approval is stamped, the public suffers the greatest loss of life and limb.

Demands and Deeds

Inquire of him if the people do not expect him to protect them and theirs, and at the same time by their own acts wantonly make it impossible. Get his traffic officers to tell what they know about the inconsistency—the determined recklessness, of the self-same public that hired them to protect them.

In the year 1921, the total casualties to persons, exclusive of employees, in railway collisions and derailments were 162 killed and 2758 injured. During the same period there were exclusive of railway employees, 3936 persons killed and 8684 injured in highway grade crossings accidents, and by getting on or off cars or other equipment, and through trespassing on railway property.

The Victims Part

Those statistics show that less than one-fifth of the fatalities are entirely beyond the control of the victim. To put it still another way, when a person exercises his own volition, he is four times as likely to incur disaster as when restrained by the well established regulations of railway operation.

In the final analysis, this is very costly to the railroads, in addition of the deplorable loss of life that might have been saved through the exercising a little bit of common sense and cool, calculating judgment.

During the year 1921 the railroads of this country became involved to the amazing extent of \$12,250,000 due entirely to accidents where automobiles and trains collided. In only a comparatively a few cases were the railroads unquestionably to blame.

The overwhelming majority were due to inexcusable carelessness upon the part of the driver of the automobile. Railroad trains are large and noisy, and in most cases can be seen and heard for some distance away. In addition to this, there are in the densely settled sections devices which sound a note of impending danger to the motorist, and the engineer seldom fails to sound his whistle.

When I've all dolled up in my Easter clo'se

With fancy fixin's 'n ribbons and bows,

Jest ready to start to meeting, Missus asked me to fix the eggs for eatin'.

I spilt one egg on that new dress, I sure didn't allow that to cause me distress—

I jest sends it to Monrovia to clean and press.

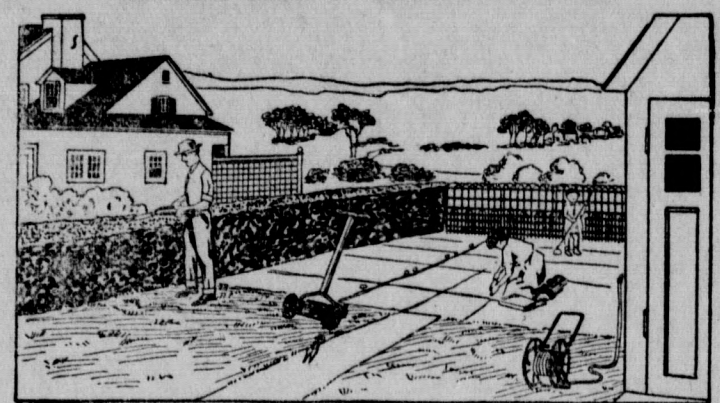

(Phone Sierra Madre Green 85.)

Around Our Town

Paul Brierly of 94 W. Central, who sprained his ankle severely while playing at school recently, is improving so rapidly that he will probably be able to return to school after the Easter holidays.

The Woman's Guild of the Church of the Ascension will meet on Tuesday afternoon, April 6, at 2:30, in the Parish house.

Mrs. Florence Rowley of 94 W. Central has as house guests her niece, Mrs. L. Smith, and son, Raymond, of Garret, Ind.

The Ladies Aid society of the Congregational church will meet next Tuesday, April 3, at 2:30, in the church parlors. The hostesses will be Mrs. C. W. Jones and Mrs. Greer Caskey.

Through the agency of D. N. Alcorn the Erl property at 85 E. Central has been sold to Mrs. Marr of Porterville, daughter of Mr. and Mrs. C. H. Brown of 204 East Central.

George P. Rikeman of 29 W. Live Oak and his guest, Mr. Schepmoes of New York, went to Catalina Wednesday for an outing on the island.

Mr. and Mrs. William Krebs of Cedar Rapids, Iowa, are visiting their son, Dr. L. L. Krebs, 90 E. Central. Mr. and Mrs. Krebs spent a winter in Sierra Madre twelve years ago and observe many changes since that time.

Mr. and Mrs. H. S. Johnson of Honolulu are guests this week of Mr. and Mrs. N. W. Tarr.

In LOS ANGELES it's

by

250%

On a busy Los Angeles street corner a checker stood and asked 150 passing motorists "Which gasoline do you use?" 63 answered "Red Crown," as against 18 for the next highest brand—a lead of 250%.

Because "Red Crown" is an all-refinery gasoline every drop of which vaporizes rapidly and uniformly in the carburetor, and is completely consumed in the cylinders, giving quick starting, smooth acceleration and maximum mileage. "Red Crown" is the popular motor fuel everywhere.

STANDARD OIL COMPANY (California)

It's **RED CROWN** for the experienced majority

Great Sacred Music

No one choir, no concert hall, can offer you so wide a variety of sacred and secular song as your Victrola. It gives you artistically perfect versions of the greatest music of all time, forever appropriate to the occasion or to the individual mood. It is ready when you want it, every hour of every day.

Come in and let us play for you some of the great Victor records for Easter. We shall be glad to show you our stock of Victrolas, and to explain how easily you can have your own.

WOODSON F. JONES

(Just around the corner)
31 North Baldwin

CAN YOU SOLVE THIS PUZZLE?

Mr. Turck of Lima Street hands in this puzzle with the remark that it may interest the young folk and some of the older folk as well.

Plant nine trees so as to have three trees in each row and also have eight rows of three trees each.

Now when you have done this, give each tree a number, from 1 to 9, and see if you can arrange the numbers so that every straight row, up, down and crosswise, will total 15.

Extraordinary Birth Record

Many readers will be interested in a case of five infants at a birth. The particulars are from India. The woman doctor in charge of the King Edward Memorial hospital at Bombay in the Punjab states that on November 22 last a Brahmin woman in the hospital gave birth to five baby boys. All five are described as perfectly formed and of fairly large size. They and their mother were reported to be doing well on the 23rd, the day following.

TRY A WANTAD IN THE NEWS

JEWISH TEMPLE OPEN FOR WORSHIP

Temple B'nai Brith, the new House of Worship of Pasadena's Jewish congregation, erected at the corner of Hudson and Walnut streets, was officially and formally opened on Sunday last, and services will now be regularly conducted there, starting with Friday evening of this week.

At the opening of Temple B'nai Brith, the Hon. Hiram Wadsworth, as Mayor of Pasadena, spoke eloquently of the Crown City and her reputation as belonging in the front rank of American cities because of her home and religious life, and the number and stateliness of her Houses of Worship; and he freely welcomed Temple B'nai Brith to join the circle. Dr. L. G. Reynolds spoke on Judaism and the Unity of all Jews. Rabbi Winkler of Sinai congregation delivered the dedicatory sermon.

The Board of Trustees has engaged the services of a regular rabbi, who will officiate at all of the services, coming during the holidays, just about

to start. Dr. Emanuel Schreiber, who has been selected, is one of the most learned and prolific authors and writers on Judaism, and is a disciple of such great European masters as Block, Jelinek, Geiger, Lazarus, Steinthal and Cassel. He is a Talmudist of the old school. Seventeen books from his pen on various phases of judaic history and ritualism, are found in almost every library containing such volumes. It is especially desired, that the Jewish families of surrounding communities make this Pasadena Temple their religious home. They are cordially solicited to attend services and become acquainted.

Ring Changes on Death.

The death was announced the other day of a gentleman who, the son of James Death, had changed his name to D'Aeth. That is an unusual variation of a name which one would not willingly choose, though the old family of the D'Aeths of Knowlton Court, Kent, claim that the surname is derived from Aeth, in Flanders. The directory reveals many efforts to disguise the melancholy association, including Deathe, Dearth, De Ath and De'Ath.

**LIVINGSTON LODGE
OPEN TO GUESTS**

With a perfect day and a large assemblage of guests, Livingston Lodge opened its doors to the public last Sunday under very auspicious circumstances. This new institution affords Sierra Madre a splendid combination of hotel and outing place close to the mountains.

The Lodge has been in process of erection for some time by O. E. Livingston and is operated under the management of his daughter, Mrs. Hazel L. McLaughlin. It is located on Sturtevant Road at the corner where the turn is made down into Sierra Madre Canyon. The slightly location gives a wonderful view of the San Gabriel Valley as well as of the nearby mountains. It is well chosen

for inspiration or for rest. The main building holds the dining room, parlors etc., as well as a number of guest rooms. Detached cabins are also provided for guests.

Regular meals will be served in the dining room. A specialty will also be made of Sunday dinners.

Last Sunday at the Lodge was made especially delightful by an informal musical program. Bela Adams, flute virtuoso, and Madame Carnahan, a singer of wide fame, delighted the company with several numbers. Mrs. McLaughlin is herself a cultured musician and has a wide acquaintance among people of talent. It is her plan to give occasional musical affairs which will help to make Livingston Lodge a place out of the ordinary for the entertainment of guests.

AMERICAN "FIDGETS"

A woman physician at the University of California says "gum-chewing is just one of the 'fidgets' of American life. We keep our jaws moving to be doing something as a vent for nervousness of one kind and another. Right she is, and observant chewers note that the longer they chew the more nervous they become.

The rocking chair is another American fidget. Nowhere else probably in the world are there so many rocking chairs and rocking is another thing that finally gets on the rocker's nerves if long continued. We have discarded the cradle because it "addles" the baby's brains. Anyone who tries the experiment of reading while sitting quietly in a straight chair which is comfortable and capacious then attempts to read while rocking back and forth will find that while her brains may not be "addled" by the motion it requires a greater effort to concentrate on the thought in the reading matter than while sitting in a moveless chair.

Eating peanuts while watching a moving picture is probably another fidget. It gives the watcher something to do with his hands and jaws while otherwise forced to remain motionless. Keeping the hands busy at knitting is said to be wonderfully soothing to some women, while others are made nervous and restless by it. The habit some women have, in fact most of them of grabbing some bit of needlework when they sit down to rest—is that real desire for accomplishment or merely another case of fidget?—Stockton Record.

FINE CHICKS TRAVEL AFAR

Mr. Turck of 177 1/2 Lima street, is bringing fame to Sierra Madre by reason of his fancy chickens.

He is an old-time breeder of Black Java chickens, the oldest American breed known. He recently shipped a pair to a fancier in Mystic, Conn., a rather fancy price being necessary to justify shipment for such a distance. Mr. Turck has recently shipped eggs for hatching to Augusta, Maine, and Phoenix, Ariz.

SCOUTS ATTEND EASTER AFFAIR

Sierra Madre Boys Among Those Chosen to Assist at Hotel Huntington

Once again Troop One, Sierra Madre, Boy Scouts, is the recipient of special honors. The management of the famous Huntington Hotel, of Pasadena, will give on Easter breakfast to a selected number of scouts from various Pasadena troops.

Practically all of these are Pasadena troops, Sierra Madre being the exception. Four scouts from Troop One will partake of the breakfast and the special treat given. The four were drawn by lot from the recently organized Bicycle Patrol, of which Charles Hull is patrol leader. Besides "Chuck," the other three whose names were drawn, and who expect to go, are Everett Keegan, Merrill Jensen and Harry Farmer.

An Easter service, of an appropriate and elaborate nature, will follow the breakfast, open to the guests of the hotel, and for which the scouts, in uniform, will serve as ushers.

The troop is making splendid progress, and is planning for many outdoor features this summer. Ivan Munson has taken David Cully's place as assistant scoutmaster, and was present at last Friday's meeting at the Bungalow.

"Scout Smith" from Los Angeles, an advanced scout from one of the crack troops of the city, will also join Troop One as assistant and attend the camp sessions.

Next Monday evening four scouts of Troop One will be taken before the district court of honor, at Monrovia, by Scoutmaster Stovall, to be invested with their first class badges, these four having passed all their tests and met all regular requirements. They are Harvey Bennett, Lester Fennel, Stanworth Baker and John Snider.

Scoutmaster Dennis Stovall has been invited to make the principal address at a father and son banquet to be given at the First Methodist church, Pasadena, next Tuesday evening, which will be attended by all the scouts and "dads" of at least three troops, and numerous other fathers and sons.

C. W. Jones and W. S. Hull and son, Charles, spent Sunday and Monday in the mountains, with headquarters at Fern Lodge. The older members of the party had no difficulty taking the pace but the Boy Scout member has not so many sore muscles as a reminder since coming home.

Sunshine & Showers

by
DE WITT T. JONES

We suppose it was precedence that put King Tutankhamen on the front pages of the newspapers in place of the tariff or congress. King Tut has been dead for more than 3,000 years, you know.

We have known a good many eccentric people but never yet have we met a woman so eccentric as to refuse to wear a new dress on Easter.

"What will happen to Russia if Lenin dies?" asks a city paper. It is a fairly safe guess that nothing will happen that has not already happened a time or two.

A trifter proved false to Flo
She felled him with a cleaver.
The jury wept and let her go,
And hanged poor Danny Deever.
—Whit Greenleaf.

So far as we have been able to learn the educational budget will have no effect on the barber colleges.

I. W. W. members are now wearing red carnations in their buttonholes, according to newspaper reports. The last I. W. W. we were near didn't smell of carnations, as we remember the incident.

"We will dye to please you," says a sign on the window of a cleaning and pressing shop. We are rather easily pleased in this respect. Any way the cleaner wishes to dye will be quite all right with us.

If you don't believe your friends are any help to you, just think of what a few enthusiastic boosters did for the prune. You might also remember that in spite of all the friends of the fruit could do, it still remained a prune.

Before Chief Oaks turns any more prisoners out of the Los Angeles jail we would like to have our solution to the problem spread on the minutes. An idea is to make the court sentences on a 50-50 basis. Fine half of the speeders and give jail sentences to the other half. Any person who had no money with which to pay his fine might be allowed his liberty provided he would turn his bed and blankets over to the court to be used by someone who had been sentenced to jail. Of course most of those arrested have been in the habit of sleeping in beds, so they might be made to furnish their own accommodations.

Whenever we see a girl with an ivory and rose complexion we know that nature has either endowed her with radiant beauty or an artistic temperament. In either case she is pretty sure to be interesting.

An English tailor says we are going to wear loose fitting suits this year. Maybe the English are.

Heterakis Papalosa is the cause of most chick diseases, according to a writer in the Valley Feeder. We certainly never thought that a little chicken could have anything as serious as that.

BALL PROVIDES FINE EVENING'S ENTERTAINMENT

Whether one dances or not, the annual ball of the Sierra Madre Firemen's club next Monday night, April 2, will afford a splendid evening's entertainment. A decided novelty will be provided in the music by the Hawaiian orchestra of Prof. Keomoku Lois. Two of these musicians were members of the famous orchestra in the Hawaiian building at the San Francisco fair. In addition to furnishing music for the dancing, the members of the orchestra are singers and give several entertainment numbers which are highly enjoyable. The club members and especially the entertainment committee are making great efforts to assure the club's guests of the best entertainment in the history of the organization. If there are any profits from the ball they will be applied on the new bowling alley soon to be installed in the club rooms.

GUSHER MAKES FARMAN HAPPY

W. E. Farman has been wearing a broad grin all week. Next to having your own oil well brought in, the next highest joy seems to be that of having your nearest neighbor bring in a well with a flow so big that it proves that there is oil enough for more wells real close.

Russell Petroleum No. 1, which came in with a flow of 5000 to 7000 barrels the other day, is only a little way from the Pacific States in which Mr. Farman is selling shares. If the derricks on the two leases were to fall toward each other their tops would almost touch. Mr. Farman is getting anxious for drilling operations to begin.

"Ike Gets Us Action"

when we take the car into the garage for repairs."

That is the comment of a Sierra Madre business man who appreciates prompt, efficient service.

BENEFIT PROGRAM AT LATER DATE

The entertainment which was to have been given in St. Rita's auditorium by a number of Orpheum stars, on April 11, as already announced last week, will have to be postponed for a week or ten days. Most of the actors who were to come out find it impossible to do so on account of a previous engagement for a large benefit performance at the Philharmonic auditorium in Los Angeles. The revised date will be announced as soon as possible.

NOTICE OF CHANGE OF GRADE
PUBLIC NOTICE IS HEREBY GIVEN, that on Wednesday the 21st day of February 1923 the Board of Trustees of the City of Sierra Madre, did at said meeting on said day pass a Resolution of Intention No. 152, to change and establish the grade on a portion of Laurel Avenue in said City of Sierra Madre, California, as follows, to-wit:

That it is the intention of the Board of Trustees of the City of Sierra Madre to change and establish the grade of Laurel Avenue from the Easterly line of Baldwin Avenue to the Easterly line of Mountain Trail Avenue, in accordance with the following elevations.

Along the Northerly line of Laurel Avenue the grade shall be as follows:

At the Northeast corner of the junction of Baldwin Avenue and Laurel Avenue the grade shall be 895.15.

At a point on said Northerly line distant thereon 210 feet Easterly from the said Northeast corner of Laurel Avenue and Baldwin Avenue, the grade shall be 886.8.

At a point on said Northerly line distant thereon 260 feet Easterly from said Northeast corner the grade shall be 885.

At a point on said Northerly line distant thereon 310 feet Easterly from said Northeast corner the grade shall be 883.7.

At a point on said Northerly line distant thereon 510 feet Easterly from said Northeast corner the grade shall be 880.20.

At a point on said Northerly line distant thereon 560 feet Easterly from said Northeast corner the grade shall be 879.00.

At a point on said Northerly line distant thereon 610 feet Easterly from said Northeast corner the grade shall be 877.20.

At a point on said Northerly line distant thereon 915 feet Easterly from said Northeast corner the grade shall be 864.40.

At a point on said Northerly line distant thereon 1160 feet Easterly from said Northeast corner the grade shall be 853.20.

At the Northwest corner of the intersection of Laurel Avenue and Mountain Trail Avenue the grade shall be 852.55.

Along the Southerly line of Laurel Avenue the grade shall be as follows:

At the Southeast corner of the junction of Laurel Avenue and Baldwin Avenue the grade shall be 892.85.

At a point on said Southerly line of Laurel Avenue distant thereon 213.4 feet Easterly from the Southeast corner of Laurel Avenue and Baldwin Avenue the grade shall be 855.0.

At a point on said Southerly line distant thereon 263.4 feet Easterly

from said Southeast corner the grade shall be 883.25.

At a point on said Southerly line distant thereon 313.4 feet Easterly from said Southeast corner the grade shall be 882.0.

At a point on said Southerly line distant thereon 513.4 feet Easterly from said Southeast corner the grade shall be 878.50.

At a point on said Southerly line distant thereon 563.4 feet Easterly from said Southeast corner the grade shall be 877.25.

At a point on said Southerly line distant thereon 613.4 feet Easterly from said Southeast corner the grade shall be 875.50.

At the Southwest corner of the junction of Laurel Avenue with Merrill Avenue the grade shall be 862.75.

At the Southeast corner of the junction of Laurel Avenue with Merrill Avenue the grade shall be 861.30.

At the Southwest corner of the junction of Laurel Avenue with an alley between Merrill Avenue and Mountain Trail Avenue the grade shall be 855.7.

At the Southeast corner of the con-

junction of Laurel Avenue with said alley the grade shall be 855.0.

At the Southwest corner of the intersection of Laurel Avenue and Mountain Trail Avenue the grade shall be 849.25.

That between all of the points above mentioned in this Resolution the grades shall conform to straight lines joining those points on the same side of the street.

That the grades given are in feet above the City Datum Plane and are on the property lines of the street.

All Avenues and alleys referred to in this Resolution are public thoroughfares of said City of Sierra Madre.

The proceeding for the aforementioned change of grade shall be taken under and in accordance with the "Change of Grade Act of 1909."

REFERENCE IS HEREBY MADE TO SAID RESOLUTION OF INTENTION NO. 152 ON FILE IN THE OFFICE OF THE CITY CLERK OF THE CITY OF SIERRA MADRE, FOR FURTHER PARTICULARS.

A. M. UDELL,
Superintendent of Streets of the City of Sierra Madre, California.

COLONIAL THEATER MONROVIA

Sunday and Monday, April 1-2

"INTERNATIONAL NEWS," "FUN FROM THE PRESS"
MARSHALL NEILAN presents—
"MINNIE"

The finest thing he ever made! With Leatrice Joy and Matt Moore. "Minnie," the romance of a Cinderella of the Sink. She wrote herself love letters and lived them all. Minnie never had a sweetheart—so she claimed a corpse. Men laughed at her. Girls taunted her. And the only man she could get was a dead cook. And she took him because her heart was too full to bear any more pain. The only man who spoke to Minnie invited her for an auto ride. And she always walked home.

Tuesday, April 3

Under auspices of Men's Club, Presbyterian Church as a pipe organ benefit.

ANDY GUMP CARTOON—"Accidents Will Happen."
SPECIAL CONCERT by Monrovia Community Orchestra of 30 musicians; Prof. John R. Bayley, director.
VIOLA DANA in

"THE FOURTEENTH LOVER"

a Metro picture adapted from Alice D. G. Miller's well-known story. A wholesome romance of a hopeless, fickle flapper. Viola is a little speeder with thirteen suitors, when her father decides to call a halt on her becoming interested in the family gardener.

Wednesday and Thursday, April 4-5

CECIL DE MILLE'S production

"ADAM'S RIB"

with Milton Sills, Elliott Dexter, Theodore Kosloff, Anna Q. Nilsson and Pauline Garon. A Paramount picture. A tale of the modern daughters of Eve—their charms, their loves, bobbed hair, rolled stockings, dimpled knees, luring lips—what shall be done with our modern daughters? Prices: children, 25c; adults, 35c; loges, 44c; upstairs loges, 55c.

Friday and Saturday, April 6-7

TORCHY'S NUT SUNDY.

"THE HERO"

CAST—Gaston Glass, John Sainpolis, Doris Pawn, Frankie Lee, Barbara La Mar, David Butler, Martha Mattox, Ethel Shannon.
A brilliant portrayal of Americanism and valor. The story sparkles with humor and daring and abounds in intensely interesting dramatic situations. A guaranteed good picture.

Preaching and communion service from 3 to 4 P. M.
Elder D. W. Nay of Pasadena will preach at 3 P. M., March 11th.

NOTICE OF TRUSTEE'S SALE

Whereas, Charles Prochazka and Louise Prochazka, his wife, by a deed of trust dated January 9, 1922, recorded in Book 638, Page 386, Official Records of Los Angeles County, California, did grant and convey the premises therein and hereinafter described to C. F. Seecombe, as trustee, to secure, among other things, the payment of a certain promissory note made to the order of A. H. Seecombe; and

Whereas, default has been made in the payment of said promissory note, and the said A. H. Seecombe has demanded that said trustee sell the premises granted by said deed of trust.

Now, therefore, notice is hereby given that the undersigned, by virtue of the authority vested in him as trustee, and in accordance with the terms and under the authority of said deed of trust, will sell at public auction, to the highest bidder for cash in gold coin of the United States, on Saturday, the 31st day of March, 1923, at the hour of 11 o'clock a. m. of said date, at the Broadway entrance of the County Court House, located on North Broadway, in the City of Los Angeles, State of California, the interest conveyed to him by the aforesaid deed of trust in and to the real property therein described, situated in the City of Pasadena, County of Los Angeles, State of California, described as follows:

All of that portion of Block "A" of the re-plat of Tebbetts Subdivision of a portion of Block "K" of the subdivided lands of J. H. Painter and B. F. Ball, as per map recorded in Book 42, Page 9 of Miscellaneous Records of said County, described as follows:

Beginning at a point on the East side of Fair Oaks Avenue, 282 feet South of the South line of Penn Street; thence South 93 feet along the East line of Fair Oaks Avenue; thence at right angles East 212 feet; thence at right angles North 93 feet; thence at right angles West 212 feet to the point of beginning.

Subject to an easement for street purposes over any portion included in the lines of Fair Oaks Avenue as widened.

Sale will be made subject to incumbrances of record.

C. F. SEECOMBE,
Trustee.

5 BIG PRODUCERS

CAME IN SINCE SUNDAY AT SANTA FE SPRINGS. THEY AVERAGE ABOUT 8000 BARRELS EACH, ALL HIGH GRAVITY OIL. THESE ARE THE KECK-WARDMAN NO. 1, JULIAN NO. 1, JALK NO. 2, JARNIGAN-AGEE NO. 2, AND RUSSELL NO. 1.

THREE OF THESE WELLS ARE CLOSE TO THE PACIFIC STATES PROPERTY. THE FURTHEST IS ABOUT 2000 FEET AND THE NEAREST, RUSSELL NO. 1, IS ABOUT 350 FEET AWAY.

NOW THEN, THESE SHARES ARE GOING LIKE A WHIRLWIND. AS IT LOOKS TO ME, YOU PEOPLE WHO ARE WAITING FOR THE DRILLERS TO "SPUD IN" BEFORE BUYING WILL BE OUT OF LUCK.

W. E. FARMAN
LICENSED AGENT

32 East Highland Ave.

Telephone Black 84

ARE LOOKING FOR HOMES IN VALLEY

Real estate men and other interested in the growth and development of the San Gabriel valley are now beginning to say, "At last it is beginning." By this they mean that the great tide of home seekers that has been flowing in other channels for several years is at last breaking over into the San Gabriel valley.

There are several signs that testify to the truth of this statement. One is the fact that hardly a day passes but some subdivider well known in Southern California real estate circles does not announce his intentions of opening a tract in the San Gabriel valley.

The Frank Meline company, perhaps the largest in the country, has a number of subdivisions, all going full blast and covering several hundreds of acres. The William Wilson company, which specializes in high class subdivisions, is already well established in this field and any number of others probably not so well known but nevertheless large concerns, have put up their tract offices and flags on this side of the ridge.

Those who have watched real estate developments around Los Angeles are unanimous in the belief that the boom is just starting on this side of the city. Level, desirable lots may be purchased in this valley within six miles of the business district of Los Angeles and there is an unlimited amount of available land within a 45-minute ride of Fifth and Main. On any other side of the city there is practically no available property closer than 45 minutes from the city and much of it would take a commuter from one to one and a half hours to reach.

THE SUCKER LIST

Lists of men and women are made up and sold as persons who are supposed to be easily gullible in the matter of selling worthless stocks, bonds and other securities.

Promoters and stock brokers of shady reputation and unreliable performance use these lists to unload all kinds of easy money propositions paying fabulous dividends.

Even holders of government bonds are catalogued in "the sucker list" if, as occasionally occurs, their names were obtainable.

The monetary help bestowed by the lists is that to the financial pirates and sharks they show who have funds or are investors.

Those form the pasture on which financial fakers intend to fatten themselves, investing in any security.

Dean and Mrs. W. C. Shaw will leave Monday for San Francisco, where they will visit friends.

TO START SURVEY OF NEW SANTA ANITA CANYON ROAD

Work is to be started at once on a survey to determine the cost of the proposed auto road from Monrovia to the Santa Anita Canyon, says the Messenger.

At a meeting of the board of directors of the Chamber of Commerce held last Friday evening it was agreed to stand one-half of the cost of the survey up to \$250, the city council last week having signified its willingness to pay \$250 towards the expenses in connection with the preliminary engineering work. City Engineer H. S. Gierlich estimates that \$500 will cover the cost of making the survey.

The action of the chamber was prompted by the sentiment expressed in favor of the opening of a road to divert trade from the resorts in the Santa Anita Canyon in the questionnaires circulated to ascertain public feeling with regard to "What five things do you think are most needed

or desired to be undertaken by the Monrovia Chamber of Commerce?" A large percentage of the replies received had shown approval of the road project.

SHIPS AND SHIPMENTS

Little Johnny was seeking information from his father.

"Father," he asked, "freight is goods that are sent by water or land, isn't it?"

"That's right, son."

"Well then, why is it that the freight that goes by ship is called a cargo, and when it goes by car it is called a shipment?"

And then Johnny wondered why father put on his hat and sauntered outside to get the air.

The Modern Priscillas will meet for a 12:30 luncheon at the home of Mrs. Burton Andrews, 455 E. Vernon, Los Angeles, on Thursday, April 5. Those who can attend will please let the president know by Wednesday morning, April 4. Phone Blue 132.

FORESTS TO HAVE SPECIAL WEEK

Since President Harding has issued a proclamation naming April 22-28 as Forest Protection Week, it is up to every American, young and old, to cooperate heart and soul.

Where does one best begin? The answer is, "With what is nearest you." Get acquainted in the coming months with the nearest forest workers, both state and national, and read more of the pamphlets, bulletins and leaflets issued by the Forest Service and other agencies. Become an active helper in the work of the American Forestry Association, whose magazine, American Forestry, is one of the best things published anywhere.

Here in California let us help along the work of the Sierra Club, the "Save the Redwoods League" and the State Forester. Above all else, let us get firm held of that central fact of modern civilization that we must have more and better forest-protection if we are to keep going ahead toward bigger and better achievements. These and such as these are what Forest Protection Week means.

ASSESSOR COMING LIST YOUR GOODS

You will enjoy your annual visit from the tax assessor this year. The assessor is already making the rounds. You will have the novel experience of making your annual property return to a lady, Mrs. Edna Staples Wiggins having been appointed deputy county assessor for Sierra Madre. She has already begun work and says she finds it very interesting, with people not at all in the frame of mind usually attributed to dealings with the assessor. Probably the people of Sierra Madre were trained better than the average through their pleasant relations over a period of years with the former assessor, the late Frank J. Foord.

FLOOD LIGHT PLAN NEEDS YOURHELP

The flood lighting of the roads leading into Sierra Madre has received enthusiastic endorsement throughout the city. In order to speed up the installation and have the lights in operation in the near future President Hawks of the Chamber of Commerce has appointed the following committee to raise the necessary funds, G. I. Farman, Chairman, Rudolph R. Hartman, Mrs. Warren L. Williams, Fred Griebenow and J. Milton Steinberger.

Should any party interested in the installation and desiring to contribute to the fund not be called upon by the committee they may make their donation to members of the committee or at the Chamber of Commerce office. It is expected to have the money for one year's operation of the lights in hand by the end of next week.

The proposed lighting of Baldwin and Sierra Madre Avenues will be the first use of this system for advertising purposes in the west. It has been tried out and used to a large extent in the east. One town in particular located four miles away from a through boulevard used it most successfully.

TUNNEL DRIVE TO START SOON

Manuel Garcia, the water tunnel expert, is assembling his materials preparatory to beginning work on the deepening of the city's tunnel on the west side of the Sierra Madre Canyon. The tunnel entrance is just beyond the wier house near the fence which crosses the canyon at the head of Canyon Park tract.

Water Superintendent Tom Henderson has been taking careful measurements of the tunnel flow. These, together with the records of past years, will show conclusively whatever results are achieved by driving the tunnel deeper into the mountain side. The tunnel now penetrates and passes beyond a nearly vertical stratum from which all the water flowing from the tunnel comes. The plan of operation contemplates following this water bearing stratum for some distance. It is expected this will expose a much greater surface from which water will flow, thereby greatly increasing the gravity flow.

Every inch that can be added to the city's gravity supply will be worth thousands of dollars. Owing to the shortage of rainfall it has already become necessary to operate the pumps. This will probably be necessary all summer and until next season's rains begin. According to Mr. Henderson there is no possibility of shortage of water. The water is available in the wells but the pumping piles up the expense.

FOOD SALE

The Girls of St. Catherine will hold a food sale at Welsch's Store, Saturday March 31 at 10:30 A. M.

If you have anything to sell, rent or trade, put a wanted in the Sierra Madre News.

SPLENDID PROGRAM ENJOYED BY CROWD AT C. C. DINNER

(Continued from Page One)
It is on the theory that the railroad commission gave the public all the protection it needed. If the railroad commission were to be crippled through improper support, he might be on the other side of the fence on the water and power act.

CITY GOVERNMENTS RUN BY SCOUTS

Good Citizenship Is Given A Big Impetus by Several American Municipalities

Good citizenship is the epitome of Scouting. Nation, state and municipality are looking forward to leadership, intelligent and high-minded, from scouts when they reach manhood's work in citizenship training, and are paying a tribute to these lads that no preceding generation of boys has ever received: namely, city governments for brief periods are being placed in the hands of the scouts with full instructions as to how the affairs of state are conducted, a sort of sub-initiation into civic responsibility.

Among the cities that have recently paid their scouts this compliment, are Lancaster, Pa., Franklin, Pa., Oil City, Pa., Chester, Pa., Superior, Wis., Galveston, Texas, Des Moines, Ia., and Seattle, Wash.

Preceding the recent Anniversary Week Seattle's municipal affairs were guided by the Scouts. "When a Scout does his best, something happens," reported a local paper speaking of the success of the event, "judging from the results of the brief rule of the city which our young citizens enjoyed."

For one hour on Saturday morning, fifteen-year old Scout Mayor John Moriarty assisted by his corps of deputies, all of whom had been elected to office in conventional style by their brother scouts, held session at the City Council Chambers. A surprising amount of business was transacted. Definitely here is what these officials accomplished:

Chief of Police given petition asking investigation of the enforcement of the anti-cigarette law.

Committee of Scout named to investigate dangerous traffic points in Seattle.

Plans formulated to organize a "traffic and safety" committee in all schools.

Approval of plan for advisory board composed of business men, to cooperate with City Council in matters of finance.

Proposal that city officials be required to take the Scout Oath in connection with their oath of office.

At the police station, the fire stations, and on traffic duty throughout the city, the Scouts were at the helm.

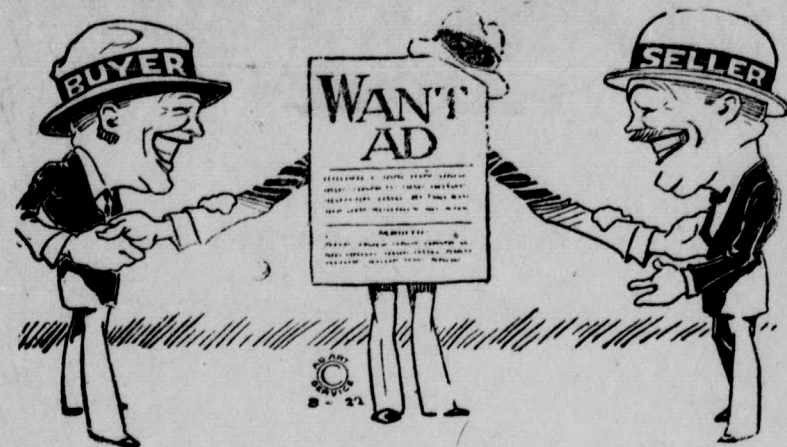

Two citizens were especially honored by the new officials, for their distinguished service to the community and the Scout movement, former Superintendent of Schools, Frank Cooper and Coach Enoch W. Bagshaw of the University of Washington. Each received a scout medal.

READ THIS CAREFULLY

We have purchased 8 1-2 acres of the swellest oil land in Santa Fe Springs. Located on boulevard near the largest wells surrounded by the Union, Associated, and Standard Oil Companies, close to seven new rigs.

Standard Oil Company has this land leased. If we had enough money to pay for all this property you or nobody else would have a chance to participate. We have cut this 8 1-2 acres into thirty-four interests, giving you a deed and title to land, also one thirty-fourth part of oil on the entire 8 1-2 acres goes with each interest.

When you stop to consider this property is surrounded by the largest and foremost oil companies in the world, it certainly isn't a bad place to place a little money. We are not looking for joyriders and we are not giving you any doughnuts or hot dogs. This investment has merit. But if you are interested we will be glad to take you down to inspect the property. Call Colorado 251, days. Evenings, Colorado 8551, or Colorado 2763.

THE BEST LITTLE INTRODUCER YOU EVER

SAW! THERE'S SOMEONE IN TOWN WHO WANTS TO KNOW ABOUT YOU AND THE THING YOU WISH TO BUY, SELL OR RENT OR ANY OTHER WANT YOU MAY HAVE. ONLY TEN CENTS A LINE, AND THEY WORK WONDERS.

WANTADS

The rate for all want ads is ten cents a line, payable in advance. Only copy furnished by regular advertisers or people carrying accounts with us will be printed without advanced payment, as the amounts are as a rule not of sufficient size to warrant accounting and collection costs.
